

22nd September 2023

Dear Parents/Carers,

As part of our Advantage Curriculum this half term, Year 4 children are taking part in a Sports Charity Challenge on Friday 13th October 2023. All children will be completing a sponsored 3-mile assault course and run, here at Monkwick Junior School.

This half term, the children have chosen to sponsor a local charity that supports our local community in many ways. They have chosen to sponsor Colchester Zoo. The money raised will go to supporting conservation projects around the world, but also the animals here in Colchester.

The course consists of running/walking around the edge of the field and then tackling the school assault course.

Once they have completed enough laps to meet the 3-mile goal, they will then finish and be given their certificate of achievement.

Colchester Zoo are currently celebrating their 60th Anniversary, to join in with celebrating, we would like to see as many children wear something **Purple** whilst they take part!

The children will collect sponsors using the form attached.

Please could all sponsor forms be handed into the school office by Wednesday 18th October 2023, with the accompanying money.

Any further questions, please feel free to contact your class teacher or Mrs Revill in the school office.

Kind Regards

Miss Forder, Miss Smith & Miss Bould
