

Bloom's Stay At Home Ideas - Day Seven

Listen to your favourite song and dance around the room.

If you have a smartphone, go to Google and type in an animal (e.g. penguin); underneath the Wikipedia description of that animal, you should see a box titled 'Meet a life-sized penguin up close'. In that box, click on the 'view in 3D' button. You will then be able to see that animal in your own room! Check out which animals this works for...
