Yesterday, I went to the zoo with my friends, Hannah and Kevin. We wanted to go on Friday but the zoo was closed because of storm Dennis. The storm was really bad in Colchester and a lot of places had to close, but on Monday, Hannah and Kevin came to my house in Chelmsford so we could go together. We saw lions, tigers and bears. The zookeeper was called Zoe and she let Kevin stroke a meerkat. The meerkat's name was Megan and she was very shy. Zoe said, "We were very lucky to be able to see Megan up close, because normally she doesn't like going near people."

At the end of the day, Hannah's mum, Maria, picked us up. She took us home and on the way she let us have pizza from Pizza Hut! Kevin, Hannah and I shared a massive pizza, it was delicious. I was so tired when we got home so I went straight to bed.
