

New Theme Park

Map of your park

Look at some real life examples.
Draw or create a map.
Label it and include a key.

Advertisement

Persuade others to visit your park.
This could be for the local newspaper, TV or radio station.

Pricing

How much will you charge to get in?
Will you charge for each ride?
Will you have any deals?

Example Ride

Design or create a ride for your park.
How would you describe it to potential riders?

Explanation

Research and explain how roller coasters work.

Visitor Reviews

What would people say about your park?
Would they recommend it?

Write reviews from different visitors about their time at the park.
