

Plan your holiday destination

- **Research of destination**

If you could go anywhere in the world, where would you go?

Research the area and write a fact file about it.

Think about the weather and how this will impact your destination choice and planned activities. Is it near the coast? How populated is the area?

- **Mode of transport to destination**

Think about the quickest route (train, plane, boat, car).

Consider what time you will depart and your subsequent arrival time (work out how long each mode of transport would take you).

Which would be the most direct route?

Is there a time difference? What is this?

- **Where are you going to stay? (hotel, b&b, caravan, tent, cabin)**

Think about what type of holiday you would like.

Consider the cost and the amenities you would need on your trip.

- **Activities**

What activities would you like to do?

Research what is available in the area.

Are they available? I.e. no skiing in Spain in July.

- **Plan your trip**

Divide the page into 5 and plan your 5 days of travel, activities and accommodation.

- **Diary entry**

Imagine you have gone on this holiday.

Write one day of your holiday: think about the weather, the activities you did and where you were that day.
