

# Fast Five:

- 1) Point to Brazil, the United Kingdom and Egypt on this map.

- 2) Which country is the Amazon River in?

*Answers on next slide*

# Fast Five:

- 1) Point to Brazil, the United Kingdom and Egypt on this map.

- 2) Which country is the Amazon River in?

**Brazil**

*Answers on next slide*

Can I share facts about Brazil?

Brazil is in South America

The Amazon River is in Brazil

The Amazon river has lots of animals including the pink dolphin

This is the Brazilian flag

Brazil has lots of carnivals every year where people celebrate their music and culture

Use these sources to find out more about Brazil:

Junior Jetsetters video (recommended for **red challenge** and **yellow challenge**):

<https://www.youtube.com/watch?v=0XAU2kiyWcl>

Encyclopedia Britannica article on Brazil (recommended for **green challenge**):

<https://kids.britannica.com/kids/article/Brazil/345654>

(Focus on the introduction, geography, plants and animals, people and culture sections)

## Challenges:

**Red challenge:** Share 3 facts you learnt about Brazil with a member of your family.

**Yellow Challenge:** Make a poster about Brazil. Make sure to include at least 5 facts. You can add some pictures too!  
Share your poster with a member of your family.

**Green Challenge:** Using the encyclopedia entry, make a poster about Brazil including at least 5 facts. You can add some pictures too!  
Challenge yourself to put the facts into your own words, rather than copying them from the page.  
Share your poster with a member of your family.
