Answers on next slide

Fast Five:

1) Which of these is the Brazilian flag?

3) What language do people in Brazil speak?

Portuguese

2) Where is Brazil on this map?

Answers on next slide

Can I share facts about Egypt?

النيل

Egyptians speak Arabic.
This is how Nile is
written in Arabic.

The Nile crocodile is one
animal that lives in the
Nile river.

Egypt is in Africa

This is the Egyptian flag

The ancient Egyptians
built pyramids in Egypt

Use these sources to find out more about Egypt:

Junior Jetsetters video (recommended for **red challenge** and **yellow challenge**):

<https://safeYouTube.net/w/Fcn7>

Encyclopedia Britannica article on Egypt (recommended for **green challenge**):

<https://kids.britannica.com/kids/article/Egypt/345682>

(Focus on the introduction, geography, plants and animals and people sections.)

Challenges:

Red challenge: Share 3 facts you learnt about Egypt with a member of your family.

Yellow Challenge: Create a poster about Egypt. Include at least five facts.

Green Challenge: Write five comparison sentences about Egypt and Brazil. Use the conjunction *whereas* to link your ideas. You can use your Egypt poster to help you find facts.

E.g. People in Egypt speak Arabic whereas people in Brazil speak Portuguese.
