

Can I identify the dos and don'ts of being near open water?

Summer Week 1 PSHE lesson 1

What are the dangers of open water?

- Do you know any?
- Write them down on a piece of paper or talk about it with a family member.

How can we be safe?

- List as many ways as possible how they can be safe.

Make some notes while watching the video:

- Watch this video:

Awareness poster

- Create an awareness poster about being safe near open water.
- Different activities:
 - Red tag - prompts and vocabulary to create a poster.
 - Yellow tag – use vocabulary to help create a poster.
 - Green and Blue: Create own poster – use both text and illustrations
