

## Answers

### Red

- 1) Disadvantage
- 2) Advantage
- 3) Advantage
- 4) Disadvantage

### Yellow

- 1) Disadvantage because friction would stop the fidget spinner spinning.
- 2) Advantage because the shoes need to grip the pavement/stop us falling over.
- 3) Advantage because it allows the bike to stop safely.
- 4) Disadvantage because it would make it difficult to slide.

### Green

- 1) Disadvantage because friction would stop the fidget spinner spinning.
- 2) Advantage because the shoes need to grip the pavement/stop us falling over.
- 3) Advantage because it allows the bike to stop safely.
- 4) Disadvantage because it would make it difficult to slide.

Any examples of their own - check to see if correct.
