Can I add tens to tens?

Red Challenge

Yellow Challenge

$$70 + 50$$

Watch this video if you need more help:

<https://www.youtube.com/watch?v=-LaW2clleixQ>

1) *Add the tens together*

$$7 \text{ tens} + 5 \text{ tens} = 12 \text{ tens}$$

2) *Turn your answer into a tens number by adding a zero*

$$12 \text{ tens} = 120$$

Green challenge

Can I add tens to tens?

$$800 + 900$$

1) *Add the hundreds together* 8 hundreds + 9 hundreds = 17 hundreds

$$17 \text{ hundreds} = 1700$$

2) *Turn your answer into a tens number by adding two zeroes*

Remember this number is said 'one thousand seven hundred'
