

Can I use Zentangle
techniques to make a photo
frame?

Fast Five

1. What does Zentangle promote?
2. What are Zentangles normally drawn on?
3. What string styles did we try?

Fast Five

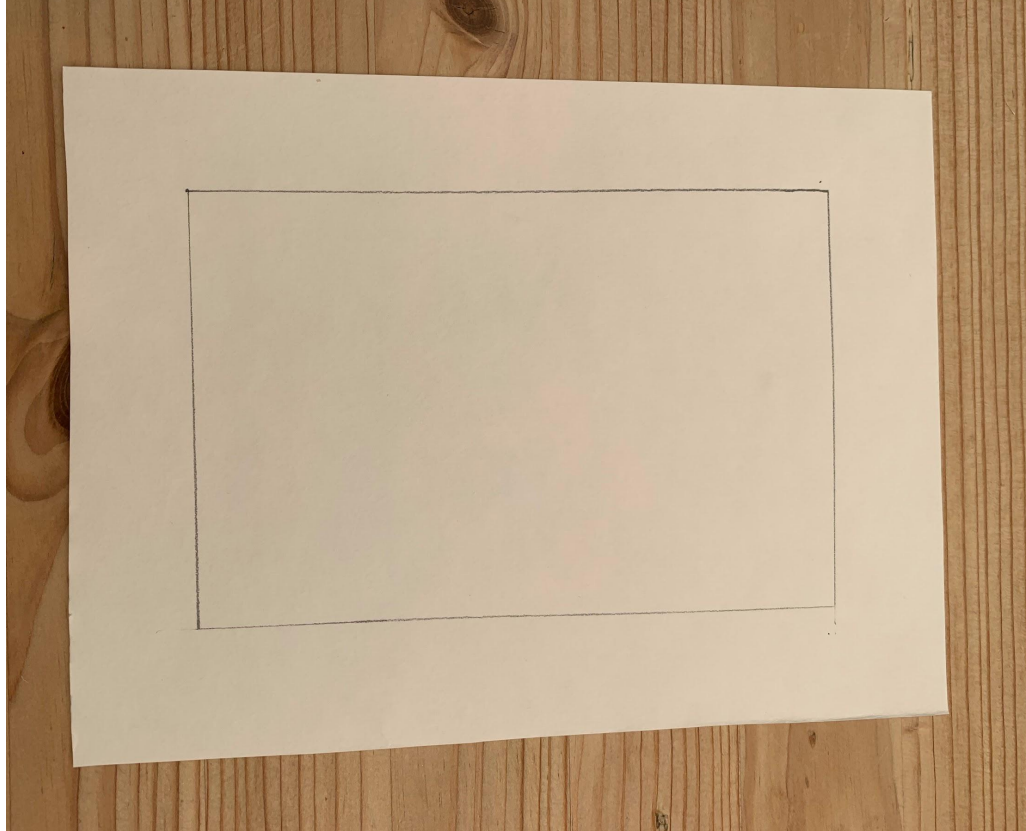

1. What does Zentangle promote?
Relaxation, mindfulness, stress relieving
2. What are Zentangles normally drawn on?
9cm tile
3. What string styles did we try?
Z string
Triangle string.

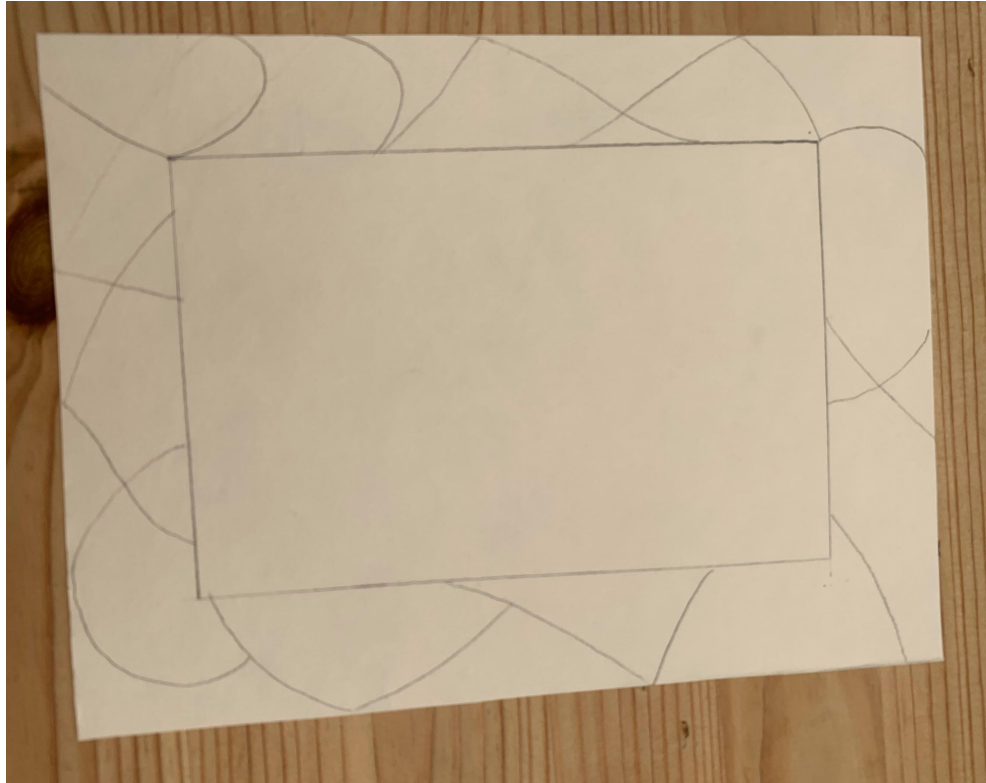

Your task today is to create a photo frame using Zentangle patterns.

Step 1: Draw an outline of the frame on a piece of A5 paper (A4 cut in half)

Step 2: Draw lines between the inside and the outside of the frame to give you spaces to draw in. These can be as random as you like.

Step 3: Draw your patterns. Don't forget to add some tone using your pencil!
