# Task

The top dentist in the country has to write easy to follow, step by step instructions for children to tell them how to brush their teeth.

However, he is a very lazy dentist and has passed the task on to you.

Using all of the skills you have learned, you need to write precise instructions for how to brush your teeth.

**Use the planning sheet to help you, and see the task sheet for the success criteria.**

**<https://youtu.be/hDZXSMU2IAk>** This link shows how to brush your teeth.
