

Red Challenge:

- 1) Didn't
- 2) Couldn't
- 3) I'll
- 4) Should've
- 5) Haven't
- 6) Shouldn't

Yellow Challenge:

- 1) I **can't** believe she said no! All I wanted was to go to the swimming pool and now I **won't** be able to.
- 2) She said **she'd** have to check where there had been a new delivery, so **I'll** have to wait until tomorrow to find out.
- 3) Then we chased the new puppy around the garden until we were all exhausted and **couldn't** run any further.
- 4) We made some fantastic ice cream but **haven't** tasted it yet as it needs to set overnight.

Green Challenge:

There are lots of different contractions that could be used in a diary (didn't, couldn't, I'd, should've etc).

Feel free to email your work to our email (year3@monkwickjunior.school), we'd love to read what you've come up with!
