

Activity: Sort the different appliances into those powered by mains supply, and those powered by batteries.

Red - Sort the appliances into the table.

<u>Mains power supply</u>	<u>Battery power supply</u>
Washing machine	Torch
Lawn mower	Mobile phone
Toaster	Laptop
Microwave	Tablet
Kettle	
Television	
Oven	
Fan	
Iron	
Hairdryer	
Lamp	

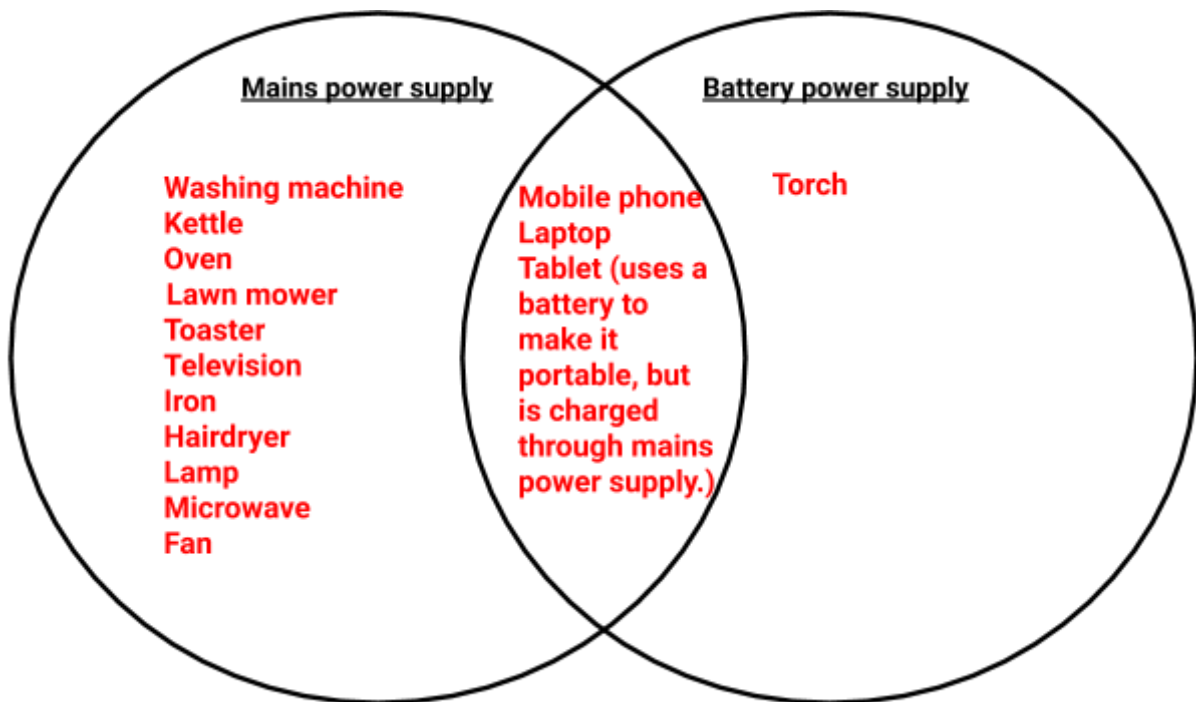

Yellow - Sort the appliances and create a venn diagram.

Washing machine	Lawn mower	Mobile phone	Toaster	Microwave
Kettle	Television	Tablet	Oven	Fan
Torch	Iron	Hairdryer	Lamp	Laptop

Green - Sort the appliances and create a venn diagram.

Washing machine	Lawn mower	Mobile phone	Toaster	Microwave
Kettle	Television	Tablet	Oven	Fan
Torch	Iron	Hairdryer	Lamp	Laptop

Can you think of an additional 3 appliances and add those to your venn diagram? Eg. **fairy lights - batteries**
