

Red: Using the prompt sheet below write 2 sentences for each section (when, how and where). Write about what you have been doing whilst away from school.

**When**

Every week,  
During playtime,  
Once a year,  
Before I go to bed,  
When I go home,

**How**

Without a sound,  
As quick as a flash,  
Happily,  
Unexpectedly,  
Without warning

**Where**

Beside the bed,  
On holiday,  
At home,  
Outside my house,

Try using some of these fronted adverbials in your sentences!

Yellow: Use the prompt sheet above to write 3 sentences for each section (when, how and where), about what you have been doing whilst away from school. Then use one that is not listed for each section.
