

## Possible answers for sentences with different lengths Year 4

### Red and Yellow

Everything was quiet. Mushrooms stood still. The path stretched between the tall mushrooms and disturbed nothing. Because the light shone into the mushroom forest, all types of shadows were formed. The smaller mushrooms sheltered in those shadows. This forest was very unusual as there were no animals. Just plants!

### Green

The sky froze! Everything was quiet. In the distance, a yellow orb formed by the sun sat on the horizon. Its light reflected in the glass-like lake. Not a ripple. The trees stood like sentinels, guarding the plains of Africa. Their image reflected in the lake as well. My eyes soaked up every inch of this spectacle.
