

Summer 2 Week 8 - French Lesson 1

Can I revise the French
words for months of the
year?

In the first half of this term we learnt how to say the names of the months in French.

Today we are going to revisit these and practise them again.

There is the video recorded to help you with how to pronounce them.

janvier

février

mars

avril

mai

juin

juillet

août

septembre

octobre

novembre

décembre

January = janvier
(Pronunciation: jahn-vee-eh)

July

juillet

August

août

September

septembre

October

octobre

November

novembre

December

décembre

In the first half of this term we learnt how to say some animals in French.

The task today is to use the pictures to pick the correct French word which matches.

They are multiple choice so think carefully about what the picture is showing.
