

Can I write an explanation
text?

Fast Five

Can you find the **adverbs**, **conjunctions** and the **prepositions** in these sentences?

1. She danced across the ice while twirling gracefully.
2. The dog furiously dug until an enormous hole in the ground was formed.
3. He rolled out the icing and carefully placed it over the cake.

Answers on the next slide

Adverbs: words that say how the verb has been acted out.

Prepositions: words that say where something is in relation to the noun.

Fast Five

Can you find the **adverbs**, **conjunctions** and the **prepositions** in these sentences?

1. She danced **across** the ice **as** she waved **happily** at the audience.
2. The dog **furiously** dug **until** an enormous hole **in** the ground was formed.
3. He **always** ran **quickly** **through** the forest **because** he was going to be late for dinner.

Adverbs: words that say how the verb has been acted out.

Prepositions: words that say where something is in relation to the noun.

Conjunctions: words that connect two clauses

Your task is to write an explanation text on how your type of transport works. Use the plan to help you.
