

Your task today

Write your own imitation poem
(only one stanza)

- Think about what your setting and personal enemy will be
- The placing of punctuation
- The placing of nonsense words
- The number of syllables in each line.

Example

Kiddersnacky

'Twas bleakly, and the frighthy ghousts
Did gaunt and himble in the houbes;
All spoofsy were the chilogans,
And the visc vamps roamabe.
