

Red Challenge

Match the image of the fossils and the pictures of the dinosaurs together. Use the shape, structure and size of the fossil bones to explain each match you find.

Yellow Challenge

Match the image of the fossils and the pictures of the dinosaurs together. Use the shape, structure and size of the fossil bones to explain each match you find.

Can you predict which dinosaurs are carnivores (meat eaters) and which ones are herbivores (plant eaters)?

Green Challenge

Match the image of the fossils and the pictures of the dinosaurs together. Use the shape, structure and size of the fossil bones to explain each match you find.

Can you predict which dinosaurs are carnivores (meat eaters) and which ones are herbivores (plant eaters)?

How can you tell?
