Adverbials of time

RED

Yesterday, I woke up at 7:45 a.m. Firstly, I got out of bed and brushed my teeth. The next thing I did was go downstairs and have breakfast, before doing the Joe Wicks workout. After completing the session, I felt fantastic and ready to take on the day. Before starting my home school, I got showered and changed. Finally, I started my English work at 10 a.m.

YELLOW

In the morning, I completed my Joe Wicks workout as per usual. Then once I'd finished, I did my maths work. It was really satisfying to work hard at something and make progress. However, sometimes I got interrupted by my little brother. This made it very hard to concentrate. Afterwards, I decided to attempt my English work as I felt I was on a roll.

Green

Yesterday, I woke up and got out of bed. The first thing I did was clean my teeth. Afterwards, I went downstairs to have my breakfast. Once breakfast was finished, I completed my English lesson for the day. Next, I spent 30 minutes outside in the garden playing football with my younger sister. Our game of football was occasionally interrupted by my youngest sister coming outside. After a little while, I felt hungry so went inside for some lunch. Meanwhile the sun came out, so after lunch I went out for a walk with my mum. Finally, my sister and I watched some television before having our dinner.
