

Can I explore the locations  
of Australia and India?

# Fast Five

- What is the capital of:
- England
- France
- United States of America
- Italy
- Greece

# Fast Five - Answers

- What is the capital of:
- England - **London**
- France - **Paris**
- United States of America - **Washington**
- Italy - **Rome**
- Greece – **Athens**

Have a look at the map on the  
next page. Can you find  
Australia and India?

# WORLD MAP

- |                           |                     |                       |                                  |
|---------------------------|---------------------|-----------------------|----------------------------------|
| 1. Netherlands            | 10. Austria         | 20. Ghana             | 29. Liechtenstein                |
| 2. Belgium                | 11. Hungary         | 21. Togo              | 30. Montenegro                   |
| 3. Luxembourg             | 12. Serbia          | 22. Benin             | 31. Kosovo                       |
| 4. Switzerland            | 13. Moldova         | 23. Cameroon          | 32. Palestinian Territories      |
| 5. Slovenia               | 14. North Macedonia | 24. Equatorial Guinea | 33. St. Vincent & the Grenadines |
| 6. Croatia                | 15. Albania         | 25. Rwanda            |                                  |
| 7. Bosnia and Herzegovina | 16. Cyprus          | 26. Cambodia          |                                  |
| 8. Czechia                | 17. Lebanon         | 27. Panama            |                                  |
| 9. Slovakia               | 18. Guinea-Bissau   | 28. Malawi            |                                  |

I have circled here where India and Australia is on the map!

I have also circled the United Kingdom (where we live) to show the difference in size!

# Australia

Capital city: Canberra

Area: 7.692 million km<sup>2</sup>

Population: 24.99 million

32 times bigger than UK

Australia is its own continent

A city in Australia is Adelaide

# India

Capital city: New Delhi

Area: 3.287 million km<sup>2</sup>

Population: 1.353 billion

13 times bigger than UK

It is part of the continent of Asia

# Check out these website to explore Australia and India in 360°
