## **AMBER AND GREEN**

You are to imagine that you have been stranded on a desert island for several weeks with your classmates. You are discovered and rescued and you are interviewing people and gathering direct quotes for your news article about exactly what has happened.

### **AMBER**

Pick 3 children in the class and write a direct quote from each about the event. Remember that the quotes should interest the reader.

### **GREEN**

Write a short newspaper article on the event. Make sure you include direct quotes using informal language.
