### **Scenario 1**

Sarah is using Instagram and she receives a message from someone she does not know. They ask her to follow them back and want to be friends.

Response 1: I should not communicate with this person because I do not know them. I should tell my parents about this and show them the message.

### **Scenario 2**

Tomorrow is my birthday party and I did not see some of my friends in school to tell them about it; I really want them to come.

Response 2: I should speak to my adult about who I would like at the party and they can help me.

### **Scenario 3**

Christopher posted a new Tik Tok and he is getting lots of comments. One comment is unkind and threatening.

Response 2: Christopher should block and report this account and inform a trusted adult immediately.
