Feature	Example
Character description	Like zombies, we hastily dressed in the discarded clothes I am feeling down in the dumps! one of the bossy, over-enthusiastic instructors The instructors at Little Wonder Summer Camp are possibly some of the friendliest people that I have ever met they are barely older than me!
Setting description	this hell hole the canteen, which squatted just beyond the pine forest relative safety of our dorm rooms the snaking line the terrifyingly-high wall This camp bed is quite possibly the most uncomfortable thing I have ever slept on
Effective atmosphere	Why would she agree to send me to a place like this? where things were only going to get worse horrifyingly-energetic activities This was an early warning of the horror that was about to commence! Appetizing it was not! I think that I might be more keen to take part if I felt my safety wasn't in jeopardy The harnesses provided are threadbare and worn, whilst the helmets are dented and the strap buckles loose.
Adverbials of time for cohesion	After a full day's worth of horrifyingly-energetic activities Today has been particularly dreadful and I am feeling down in the dumps!

	<p>Before we could turn to leave and retreat to the relative safety of our dorm rooms</p> <p>After forcing down the bare minimum of food</p>
Commas for clarity	<p>stumbled towards the canteen, which squatted just beyond the pine forest we saw that one of the bossy, over-enthusiastic instructors</p> <p>The harnesses provided are threadbare and worn, whilst the helmets are dented and the strap buckles loose.</p>
Use of brackets	<p>Yet, of course, I am selected first (I truly believe they look for the least confident to go first, purely for their own amusement)</p>
