### WHY I DIDN'T GO BACK TO SCHOOL

Why hasn't Auggie been to school until now?

Because of all of the surgeries that he had.

or

Because he got sick a lot.

What school grade is he joining? **5th/Fifth/ Fifth Grade**

'Her boy stuff isn't so hot, though,' What does Auggie mean by this?

Her drawings for boys aren't as good.

or

Her illustrations aimed at boys aren't as good as those aimed at girls.

Why do you think Mom hasn't drawn much recently? Does this give you any clues about her current state of mind?

Because she is too busy looking after Auggie. She is worried about him. Her mind is on Auggie and not her drawings.

Do you think Zachary, Alex and Christopher are *really* good friends? Why?

Yes

They have known each other since they were babies.

They are used to the way Auggie is.

They invited him to their birthday parties.

or

No

Christopher moved far away.

Zach and Alex go to school but Auggie doesn't.

Zach and Alex have made new friends.

They only say hello on the street.

Why do you think Emma hasn't seen Auggie in a long time?

Why do you think Emma hasn't seen Auggie in a long time?

Perhaps Emma goes to school and Auggie doesn't so she doesn't see him often.

or

Maybe she is embarrassed to be his friend.
