WHY I DIDN'T GO BACK TO SCHOOL

Why hasn't Auggie been to school until now?

What school grade is he joining?

'Her boy stuff isn't so hot, though,' What does Auggie mean by this?

Why do you think Mom hasn't drawn much recently? Does this give you any clues about her current state of mind?

Do you think Zachary, Alex and Christopher are *really* good friends? Why?

Why do you think Emma hasn't seen Auggie in a long time?
