HOW I CAME TO LIFE

What does the term 'a walk in the park' mean?

What does the term 'a walk in the park' mean?

Why do you think mum makes the story of Auggie's birth so amusing, when re-telling it to the children?

Does your impression of the 'farting' nurse change during the chapter?

Why do you think Auggie mentions that all his family are either beautiful or handsome at the end of the chapter? How might this make him feel?

How does Auggie's family deal with difficult situations?

Look at page 7. Write down what mum might be feeling and thinking as Auggie is taken away by the nurses.
