

1)Gyring and gimbling

2)Jaws that bite and claws that snatch.

3)Fuming and furious

4)He was making a battle plan/preparing himself for battle.

5)We would not associate this sound with a fearsome creature. It is more of a childish sound associated with something not scary like a baby.

6)Dead

7)It shows that with the death of the Jabberwock all things return to normal. Everything was the same as it was before the Jabberwock arrived.
