

On Thursday 20th April 2023, our year 6 pupils took part in a sponsored water race for WaterAid which was a huge success! The challenge was to move water from one side of the playground to the other without spilling any water on the way, this proved to be a little tricky with holes in the bottom of the cups!

All classes did extremely well, Pi was the winning class of this year's Water Race - Well Done!

Children were sponsored for this event, they managed to raise an amazing **£427.04!!** This is fantastic - Well Done Everyone!
